

Welcome to the Foyer International des Etudiantes
Our mission is to welcome and gather students from all nationalities.

RESIDENCE CONTRACT 2021-2022

I. ADMISSIONS

ART.1.1 ADMISSION REQUIREMENTS

The admission as a resident is available from October 1st through May 31st. To be admitted as a resident, one must be:

- a woman between the ages of 18 and 25
- able to live as part of a community
- enrolled as full-time students in one of the universities in or around Paris or enrolled in the Cours de Civilisation Française de la Sorbonne.

Before or after these dates you will need to make a separate reservation, as well as pay the higher rates.

ART.1.2 REGISTRATION FEES AND DEPOSIT

A non-refundable registration fee of 60€ is required at the time of admission or re-admission, as well as a deposit of an amount equivalent to one month's fee.

If you no longer wish to stay at the foyer the deposit is non-refundable, including for students arrived between 1st June and 30th September. It will however be refunded if proof of one of the following events is provided: failure at "baccalauréat" exam (or equivalent), refusal of admission into a University within Ile de France or refusal of a visa application.

ART.1.3 DEPOSIT

A deposit (equivalent to one month's fee) is requested upon arrival on the premises.

It is returned at the end of the stay or carried over to the following year in case of readmission if the room is left empty and cleaned and no degradation is noted. The damage done is due in full.

ART.1.4 ACCOMMODATION COSTS

The monthly fee is **633€** in a single room and **444€** in a double room and is applicable from the 1st to the 30th or 31st of each month. Residents must pay their accommodation fees **each month between the 1st and the 10th**. If you leave for the week end or the holidays, the whole month is still charged.

For arrivals or departures between these dates, the foyer charges nightly fees or the whole month's fee, depending on which is cheaper. It is not possible to pay for a "half-month" or per week as a resident.

ART.1.5 CANCELLATIONS AND EARLY DEPARTURES

This contract is applicable until May 31st. In the case of an early departure, one month's notice is required. If the notice is given during the month N, the charge for the part of the month N + 1 is calculated at the nightly rate if it is more advantageous than paying for the whole month.

ART.1.6 RENEWAL

Residents can apply for a second year at the foyer, or even in exceptional circumstances, for a third year, which is the maximum.

Renewal requests are examined by the commission before looking for new arrivals, but readmission isn't automatic. It depends on the past year's behavior:

- respect for the other residents
- general attitude towards the staff
- the cleanliness, as well as tidiness, of the room.

Renewal forms will be given out in April for the following academic year, with replies sent in May.

The purpose of the rules is to maintain a harmonious living environment.

It is up to the residents to ensure that these rules are respected and that the principles of community life are followed.

Failure to comply with these rules may result in your expulsion from the foyer.
